

A crown of thorns is the central focus, with a bright, glowing light source emanating from within its structure. The light is a mix of yellow, orange, and red, creating a strong contrast with the dark, spiky thorns. The background is a circular frame with a green-to-blue gradient, and the overall image has a textured, slightly grainy appearance.

# Youth Alive

A JOURNEY THROUGH THE YEAR!

## About Youth Alive

Youth Alive is a ministry committed to guiding young adults on their spiritual journey. We are dedicated to nurturing the faith of our youth and empowering them to become engaged members of their community. What sets us apart is our commitment to accessibility; we offer house-to-house pickup for our youth group to ensure every young person has the opportunity to participate and thrive.

Our ministry is built on a foundation of service and evangelism. We have shared our message within the community and local schools, inspiring young people to deepen their faith and create a positive impact. Through our teachings and community outreach, we aim to develop a new generation of leaders equipped to serve others and share the love of Christ.

## Meet Our Leaders

**Jimmy and Ashley Albert** serve as the dedicated leaders of Youth Alive. With eight years of experience, Jimmy leads as the youth pastor, while Ashley has been an integral part of the ministry for six years. Married for five years, they are blessed to serve together, sharing a passion for guiding young adults in their faith.

Beyond their pastoral roles, Jimmy and Ashley are deeply involved in the church. They lead praise and worship, assist with facility maintenance, and coordinate community events. Their enthusiasm for ministry is contagious, and they are committed to helping young people grow in their relationship with God. When you join Youth Alive, you can expect a warm welcome and a safe space to explore your faith with a team excited to journey with you.
